View all 7 comments. Your display name should be at least 2 characters long. *TheAshfordAffair*. This book is a vivid and heartbreaking reflection of the seeming-unending and viscous Great War and its aftermath, which wrenched England into modern times. One moving and powerful novel. With that disclaimer, I have to say that *Summer* will definitely be among my most disappointing reads of
You've successfully reported this review. The result is a searing tale of pre-servants and noble people knew "their place" So much heartache and missed chances.
