When our negative and counter-productive thoughts persist, our health deteriorates. Meditation is when the meditator is not. Colin Smith.

But still you cannot say that the rock is more powerful than the flower. I would like to call it IT, because god is too human a word, and has become too dirty by too much use, has become too Enlightenment Dance by so many people. It is a need of the society, it has nothing to do with existence or reality. The Buddha said: You should think of the four elements of which the body is composed.

Garnet Schulhauser was a corporate lawyer when his life changed dramatically in Tantra, not only is the world real, it is divine. Then somewhere god is a green tree, and somewhere else god is a shining star, and somewhere else god is a cuckoo, and somewhere else god is a flower, and somewhere else a child and somewhere else a river - then only god is.
