A chilling new YA story from debut author Amy Talkington. When Liv Bloom lands an art scholarship at Wickham Hall, it's her ticket out of the foster system.

Wickham Hall is not your typical boarding school - with odd rules and weird traditions; Liv Bloom is happy to deal with it all as long as she can do what she has to do to keep her scholarship and work in her own art studio. Videos About This Book.

One of my favorite aspects of the story is that you get to read a small story. She came from a foster home and is finally on her own. Product Details. No, really. The students are dull.
