Published by Alfred Music AP. Add all three to Cart Add all three to List. The saxophone was once invented within the nineteenth century and used to be mostly seen as a novelty tool. EnglishChoosealanguageforshopping. The Spanish vihuela appears to be an intermediate form, with lute-style tuning and a small guitar-style body, but it is not clear whether this represents a transitional form or simply a design that combined features from the two families of instrumentse. This is for someone who knows the basics and wants to go to the next level. Are the frets on your guitar giving you problems?
