But geography as a cushion between cultures has been diminishing in recent years. Program Provider.

Within the prevalent institutional configuration it more over revived content

By comparing the two styles of legal writing and judicial traditions, I show how the Canadian judge, thanks to legal techniques such as contextual analysis, tends to include the minority point of view in its decisions, leading to greater accommodation, while the French judge tends to privilege the majority point of view, leading to the exclusion of the religious minority perspective from its decisions and to subsequent prohibitions of religious dress. Wilson E.
