I still need to re-perfect that field before talking about it.. How does your practice of sketching enable you to articulate your own architectural ideas and proposals onto paper? Hasmukhbhai remained a student all his life.

A third type of drawing is often the mediating truth between the two. Posted by gobshyte at 9 comments: Links to this post. The seamless execution of the transitions between influencers is what makes this story special. Make sure you can navigate with confidence when you find that road less traveled.

In this age of digital media, do you take your sketches to the computer to refine them or do you think that creating architecture is a goal in itself? Doshi took pen to paper to express the dawning of this debate.
