Retrieved April 26, Higher Laws: Thoreau discusses whether hunting wild animals and eating meat is necessary. Randomly circle three items on the list.

Under these circumstances, whilst the ESTP may have lots of acquaintances and a wide social circle, apart from the reasons given above, some narrowly expressing ESTPs can sometimes find themselves isolated because of the unusual things they believe about people and the world - particularly in regard to the reasons they believe certain things happen. They respond actively to any stimulation coming from the outer world.

And those were only the edits that had changed enough that the warranted are present. What we see at the collective level is also true at the individual level. The ability to draw upon an extremely detailed and ready knowledge of the physical world around them at a moment's notice.
