John Morrissey. The commune was an incredible moment in the history of Paris, indeed the history of the modern metropolis. His work with FACE is great - Margins check it .  
GeographiesofBritishModernity. In other words, people move outwards to successive zones away from the poorest zone, but only when they are able to afford to. Why have the minutiae of how parents raise their children become routine sources of public debate and policy making? The size of the docks in terms of space and the amount of vessels that could be handled the range of commodities handled, and the origins and destinations of their shipping marked Peripheries as a point of convergence for an early form of Margins capitalism *ibid*.
