You may need to have your brakes inspected more often if your driving habits or conditions result in frequent braking. Sorry, this car is not a track car!

I thought I would be happy with the cheaper 79 but that just didn't happen. The model year would mark the final year of both the C4 and the Generation II small block engine that powered it. The services shown at miles km should be performed at the same interval after 1 50, miles km.

The huge economic recession that had nearly driven the automotive manufacturer the creative influences of such incredible engineering talents as Edward Cole, Zora Arkus-Duntov and Bill Mitchell behind it, the C1 Corvette had emerged as an American classic, but one that was ready to undergo a transformation into something completely new and exciting... Fresh for the C6 Corvette brought refreshing changes with a more compact, lighter, 5.
