The more books, the more royalties that the Sim author can rake in every day. Erika's writing practice encompasses fiction, poetry, and nonfiction. You can use your phone, of course, but technology can be finnickier at times. If you're interested, please do check it. See responses A son of survivors and the family secrets modern technology may reveal. Daughter, writer, perpetual learner. What a great idea, thank you. So if you try handwriting one of your own stories, make sure you document your own process kind of treating it like an experiment! Do you think it makes sense to copy someone so aspirational you think you can never do that?
