Many fibromyalgia patients are quite myelopathy-ish, but without enough classic myelopathy symptoms to attract that diagnosis. There were answers and people who believed me and understood my suffering. A common genetic defect, mind you. Ithastakenawhile, but we have seen dramatic improvements not only with the Visit our Fibromyalgia category page for the latest news on this subject, or sign up to our newsletter to receive the latest updates on Fibromyalgia. Some people choose to take fibromyalgia supplements such as vitamin d, fish oil and magnesium, but there is little evidence to suggest these actually have an effect on symptoms. Starting in I really struggled to find answers. Others, I barely kept up. Seems like overkill! I had an appointment initially, but at the insistence of my then current doctor, who said it would be a waste of time and repeat tests, I cancelled it.
