Foster on "Quining Qualia", Oxford, The implication of Forman's presentation in Grassroots Spirituality is that the non-mainstream, ostensibly non-dogmatic practices that constitute the grassroots spirituality movement are by their very nature progressive, equitable, and humane.

Hejustifiesslaveryonthegroundsthatitisarationalinstitution:itisju

However, since PNC is true of all things, all things are determinate and must, therefore, have essences. In this seismic shift from the cosmological to the anthropomorphic, one detects a shift from thinking about the Being of beings to thinking about the relation of thinking to Being. Space, Time and Matter were, for Aristotle, essential media for the experience or representation of reality and these media for change played a very important role in his conceiving of reality as an infinite continuum.
