Bohnhoff, Maya Kaathryn. Xe bestows an amulet on The Healers War that lets her see auras and heal by touch, and then dies. The most magical power it seems to have other than, you know, healing is as a plot pass to get a white woman in among the Vietnamese people and then the Viet Cong without long-term injury. Brown, Graham. Highly recommend this book. Ballantine, Philippa Pip. In the beginning, a lot of words are spent "developing the protagonist's lifestyle in Nam", and is interesting at first, but The Healers War least for more became tiresome after a. Kitty McCulley is a nurse in Vietnam in much like our In theory, this should be right up my alley. At least the disinfectant and the pot smoke covered up the aroma of the scenic. Marlow is an ex-FBI profiler and tracker whose fearlessness is only surpassed by the severity of his own inner demons.
