When he was interviewed for a Wall Street Journal article, CCD president Paul Levy explained his organization's focus on encouraging more families to live downtown by noting that "empty nesters and singles are not. Vivian Gussin Paley. Given an abundance of evidence that "the percent of the downtown population ages 25-34 has steadily grown," an early CCD report identified "a strategic opportunity for Center City to become a premier neighborhood of choice in the region for young families with children- if we can improve the quality and customer focus of public schools. Posted April 4, Volume 12 Issue 1. Linn Posey-Maddox. Vivian Gussin Paley.

Marketing Schools, Marketing Cities is an important book. Erica Hauswald marked it as to-read Jan 04, Navigating complex ethical terrain, she balances the successes of such policies in strengthening urban schools and communities against the inherent social injustices they propagate-the further marginalization and disempowerment of lowerclass families.
