Northside Elementary also has a large, community supported organic garden that has been featured on websites, in books and on the radio. In addition to the more conventional academic subjects, areas such as vocational, industrial, home arts, career, sex, and drug abuse prevention education appear, especially in the upper grades and in junior high and middle schools. Some schools on this list may seem to have unfair advantages over others better resources, more money.

BytheUnitedStatesspent2percentofitsbudgetoneducation,comparedwith means the Federal contribution to elementary and secondary education is about 8 percent, which includes funds not only from the Department of Education ED but also from other Federal agencies, such as the Department of Health and Human Services' Head Start program and the Department of Agriculture's School Lunch program.
