If the twentieth century has taught us one thing, it is to be skeptical of such pronouncements. How do we move towards institutional reform and achieve a less monumental Church structure. Christianity in the twenty-first century : reflections on the challenges ahead Author: Robert Wuthnow Publisher: Oxford : Oxford University Press, Please enter a valid ZIP Code. Please re-enter recipient e-mail addresses. Therefore, the list of questions that can be considered as major challenges for the 21st century is likely to change over time. Integrity means, in the first place, the inseparability between the goals that should guide the actions of human rights organizations and the means employed to achieve these goals. Add to watch list Unwatch. These questions may appear overly abstract but they also bear directly on an important practical matter: will fundamentalists set the agenda for American Christianity in the twenty-first century?
