Earn money, spend less than you earn, save, invest, repeat the process. I also worry that if we overstress financial considerations, we reach a point as a society in which we think that only the well off have a right to procreate. I rented out my condo and moved in with my younger brother – reducing my monthly living expenses dramatically.

Regardless of how much money you earn, you need to put some aside in savings. The Once you have an abundance mindset, begin to craft a personal vision. I have started reading books and I am saving to build up enough cash to invest into rental properties.

Ask yourself what you really need and really don't need. If your costs are real most of us, it's a far-off dream that someday, eventually, we might be able to turn ourselves into self-made millionaires. You are your own best resource.
