Have you tried looking outside the Dating and Relationship section? After I discussed polyamory with my girlfriend, I dated another girl for about two weeks – and she made me realize many small details that make my girlfriend awesome for me, and other people awesome for somebody. There were not any significant trends in polyamory by age, except that people who said they used to be polyamorous but The Polyamory Project not any more increases with age.

Further, most poly people often feel an emotion we call compersion, which has been described as the opposite of jealousy. Though we may know and love people that lead polyamorous lives...what would it mean for a society to return to this practice en masse? Jun 19

Morethanthat,though,relationshipstakework.ThisIbelieveistherootof
is not that I have a hard time with it. Are you ready, willing and able to take responsibility in the event of that failure?
