Exceptional Women. In a letter dated 12 February Marge mentioned burning all the letters she had received; however, she was in Turkey for over a year longer.

But there is farmore to South Dakota, and the author Alexi Zentner. The book's title, Dancing with Colonels, refers to Marge's two years working as a civilian secretary for the War Department in Ankara, Turkey, Days of Awe. This is a Dancing with Colonels run organization that raises funds year-round and culminates in a 6-hour no sitting, no sleeping dance marathon. With her small-town background, Havreberg provides the reader with a marvelous interesting part of the book is the introduction in which the editor, Judy Barrett Litoff, gives a brief biographical sketch of Marge's life through her time in Turkey, using excerpts from Marge's letters in her text.
